A13B Preference Questions

A13

Time preference

PQ2 Suppose that in the next 12 months you will receive 10,000 baht, but if you wait another month (altogether 13 months), you will receive 11,000 baht. Which one do you prefer?

 PQ2

1- Choose to receive 10,000 baht

3- Choose to receive 11,000 baht

Use CARD for the interview.

PQ3 Suppose you have a total of 1,000 baht. You can allocate any amount of money, not exceeding 1,000 baht, to play just only one time a game of tossing a coin(head or tail). If your guess is correct, you will receive 4 times of the money invested. If your guess is incorrect, you will lose the money invested. How much do you think you will invest?
