

For parents of the child aged 25-60 months

B11 Activity Timetable

1. At night, the child sleeps	from.....(td1_timeS).....¼.	until.....(td1_timeE).....¼.		(td1_hr)	hour	(td1_mi)	minute
2. The child goes to school/child development center	(fname_ch)	until.. (lname_ch)		(td2_hr)	hour	(td2_mi)	minute
***If the child has not attended school yet, please record "NA"							
3. The child takes a nap (weekdays)	from.....(td3_timeS).....¼.	until.....(td3_timeE).....¼.	(tcdc)	(td3_hr)	hour	(td3_mi)	minute
***If the child takes a nap at school, please record "NA" if not record "0"							
4. The child takes a nap (holidays)	since.....(td3b_timeS).....¼.	until.....(td3b_timeE).....¼.		(td3b_hr)	hour	(td3b_mi)	minute

Ask each activity detail in the past month and record in table 1

Frequency Code

9	"more than once a day" means doing this activity everyday and more than once a day.	Ask more details (frequency of the activity)
7	"once a day" means doing this activity everyday and once a day.	Ask more details (frequency of the activity)
5	"at least once a week" means not doing this activity everyday but doing every week.	Ask more details (frequency of the activity)
3	"at least once a month" means not doing this activity every week but doing every month.	
1	"less than once a month" means not doing this activity every month but used to do it in the past 12 months.	
0	"never" means never doing this activity in the past 12 months.	

Relationship with the child in case of playing alone, record "NA"

1- Father	3-Mother	5-Grandparents	7-Uncle/Aunt	9-Brother/Sister/cousin	11-Outsider (not 1,3,5,7,9)	13-other household member (not 1,3,5,7,9)
-----------	----------	----------------	--------------	-------------------------	-----------------------------	---

For frequency code

If the child has never done the particular activity, record "0" in "Monday-Friday" line and "Saturday-Sunday" line, then record "NA" in "Monday-Sunday" line.

If the details of the frequency of the activity on each day are separable, record data in "Monday-Friday" and "Saturday-Sunday" lines and then record "NA" in "Monday-Sunday" line.

If the details of the frequency of the activity on each day are not separable, record "DK" in "Monday-Friday" and "Saturday-Sunday" lines and then record data in "Monday-Sunday" line.

Table 1 b11_table1

Activity (<u>in the past month</u>)	frequency Code	Total time		Detail (activity frequency)	Doing activity with (not exceed 3 persons) specify relationship-with-the-child code and gender code (In case of playing alone, record "NA")							
		hours	minutes		c1_ba		c1_bb		c1_bc
