

For parents or guardian of child aged 5 years and up

B11 Activity Timetable

1. This child sleeps at night	since.....(td1_timeS).....¼.	until.....(td1_timeE).....¼.	(td1_hr)	hour	(td1_mi)	minute
2. This child goes to school/child development center	since.....(td2_timeS).....¼.	until.....(td2_timeE).....¼.	(td2_hr)	hour	(td2_mi)	minute
***In case the child has not attended school yet, record "NA"						
3. This child takes a nap (weekday)	since.....(td3_timeS).....¼.	until.....(td3_timeE).....¼.	(td3_hr)	hour	(td3_mi)	minute
***In case the child takes a nap at school, record "NA" if not record "0"						
4. This child takes a nap (holidays)	since.....(td3b_timeS).....¼.	until.....(td3b_timeE).....¼.	(td3b_hr)	hour	(td3b_mi)	minute

Ask detail of each activity in the past month and record in table 1

Frequency Code

9	"more than once a day" means doing this activity everyday and more than once a day.	ask detail (activity frequency)
7	"once a day" means doing this activity everyday and once a day.	ask detail (activity frequency)
5	"at least once a week" means not doing this activity everyday but doing every week.	ask detail (activity frequency)
3	"at least once a month" means not doing this activity every week but doing every month.	
1	"less than once a month" means not doing this activity every month but used to do it in the past 12 months.	
0	"never" means never doing this activity in the past 12 months.	

Relationship with child Code in case of playing alone, record "NA"

1- Father	3-Mother	5-Grandparents	7-Uncle/Aunt	9-Brother/Sister/cousin	11-Outsider (not 1,3,5,7,9)	13-other household member (not 1,3,5,7,9)
-----------	----------	----------------	--------------	-------------------------	-----------------------------	---

For frequency code

- If the child has never done the particular activity, record "0" in "Monday-Friday" line and "Saturday-Sunday" line, then record "NA" in "Monday-Sunday" line.
- If the details of the frequency of the activity on each day are separable, record data in "Monday-Friday" and "Saturday-Sunday" lines and then record "NA" in "Monday-Sunday" line.
- If the details of the frequency of the activity on each day are not separable, record "DK" in "Monday-Friday" and "Saturday-Sunday" lines and then record data in "Monday-Sunday" line.

Table 1 b11_table1

Activity (<u>in the past month</u>)	Frequency Code	Total time		Detail (activity frequency)	doing activity with (not exceed 3 person) specify relationship with child Code and gender code (If play alone, please record "NA")								
		Hour	Minute		c1		c2		c3				
A Listening to a story read by an adult (using a book while reading)	c1_ code	c1_ hr	c1_ min	Monday-Friday How many times ...(c1_aa).... per ...(c1_ab)... per time..(c1_ac).... hour ..(c1_ad)... Minute	c1_ba	c1_bb	c1_bc	()male	()female	()male	()female	()male	()female
